LBL Commuter Survey [edit](#)

[No Title Entered]

[edit page properties](#)

Is the Lab shuttle too crowded when you try to reach work? Can't find parking for your car at the Lab? Have some suggestions on improving the commuting experience for employees?

[edit](#) [move](#)
[pipe](#)

If so, you're invited to take a three-minute survey on the commuter needs of employees, sponsored by the Facilities Division. And those who complete the survey can win free stuff in the process.

Answers to the survey are COMPLETELY ANONYMOUS, but over 120 prizes and rewards will be given to a random selection of responders (those who respond first will receive the highest value rewards).

The prizes include:

- Family membership to the Chabot Space & Science Center (\$125 value)
- \$25.00 BART ticket
- \$25.00 of Compact Fluorescent Lamps (make your home more energy efficient!)
- \$25.00 in Carbon Offsets purchased in your name through Carbonfund.org
- Ten Rides on AC Transit (valued at \$17.50)
- \$5.00 Blockbuster Gift Cards
- Miracool Bandanas - Soak in cold water and keeps you cool all day

The survey will be available until Friday, Dec 5.
